

Armidale Youth Orchestra for 2017

AYO Audition Requirements and Process

ALL Students must audition to become a member of the **Armidale Youth Orchestra** for 2017. New applicants and current members are invited to audition in September 2016. The Musical Director may review desk seating at the beginning of 2017. Placement in AYO is dependent on a number of factors – including intonation and tone production, technical control and musicality. Ensemble skills are also a consideration, with importance placed on ensemble experience, rehearsal attendance, and demonstrated team work. A level of maturity is expected with the ability to concentrate for a full 2 hour rehearsal.
