

Rotary ADFAS Tertiary Music Scholarship

This scholarship is for the study of the practice of music or composition at a tertiary institution and is valued at \$1500.

The scholarship will be awarded to a student who completed the HSC in 2017, or 2016 and has undertaken a 'gap' year', at one of Armidale's six secondary schools who has commenced tertiary study in music in 2018 or intends to commence in 2019 following a GAP year . The award process will take place in May 2018 and payment of the scholarship will be conditional on confirmation of enrolment once offers are made.

The scholarship is tenable at an Australian tertiary music institution approved by the NECOM in association with the Rotary Club of Armidale Central and the Australian Decorative and Fine Arts Society, Armidale (ADFAS).

The recipient would normally have been studying a musical instrument, composition or voice for 7-12 years and have received recognition for his/her ability. The recipient may have also displayed other ability such as conducting and have participated in orchestral, chamber music or vocal music activities at school and in the wider community.

Applicants must include their private teacher's report indicating the applicant's musical aptitude, attainment, commitment and potential. Should an applicant have no current instrumental teacher, then a school music teacher's report will suffice. Applications must also include recent music examination reports.

The recipient will need to demonstrate a commitment to pursuing extended music study at tertiary level and the likelihood of a career in the field.

NECOM will work with the Rotary Club of Armidale Central and ADFAS Armidale to administer the scholarship.

A 5 person panel representative of NECOM, the Rotary Club of Armidale Central and ADFAS Armidale will be set up to determine the recipient.
